

## **HANDCART WHEEL INFORMATION**

The following is the size of the wheels that the missionaries at Mormon Handcart Historic Sites purchase from Holmes Wheel Shop for all of the handcarts. They are strong and with care can last for many years with heavy use. There are also listed other options for purchasing wheels and handcarts.

Type 1 spoke 1 rim 48 in. Bolted hub wheel  
1 x 3/8 flat steel tire installed.  
1 axle

### **Holmes Wheel Shop Inc.**

**7969 c.r. 189, P.O. Box 56, Holmesville, OH 44633  
303-279-2891**
